Senior Vice President, Chubb Group  
Regional President, Asia Pacific

Paul McNamee is Senior Vice President, Chubb Group and Regional President, Asia Pacific. He has overall responsibility for the general management and business results for all operations in the region, which includes in Australia, China, Hong Kong, Indonesia, Korea, Macao, Malaysia, New Zealand, Philippines, Singapore, Taiwan, Thailand and Vietnam.

Prior to ACE's acquisition of Chubb in January 2016, Mr. McNamee was Deputy Regional President and Head of Regional Property & Casualty, Asia Pacific for ACE, since 2013. In this role, he had management oversight of all aspects of ACE's operations in Australia, New Zealand, Greater China and Singapore. In addition, as the lead for Property & Casualty for Asia Pacific, Mr. McNamee was responsible for the profitability and strategic direction for the business across the region.

Before his return to the Asia Pacific region, Mr. McNamee was the Divisional President of North America Property & Specialty Lines based in Philadelphia. He was responsible for managing ACE's property-related products and services across the company's North American franchises, including ACE USA, ACE Canada, and ACE Westchester. His responsibilities encompassed ACE USA's retail broker-distributed property and first party lines, including global property, inland marine, ocean marine and aviation. Preceding his US stint, he was Executive Vice President, Property for ACE Overseas General based in London.

Mr. McNamee first entered the industry more than 20 years ago, joining CIGNA Corporation's International operations in Australia in 1995.
